The Epic Red Cup Massive Psycho Circus

The freaks and geeks from Warsaw Pact Entertainment are most definitely moving up in the world. Over the past two years, their Epic Red Cup Massive was held out in the barren desert or at a tony mansion. This time around, however, they're making like the Jeffersons and moving the event on up to deluxe digs of The Venue Scottsdale, 7117 East 3rd Avenue. The entertainment lineup's also been upgraded this year and will feature a bizarre bazaar of sideshow acts like the Strange Family Circus, performance artists, and other freaks of nature.
